I know we've paid for driving lessons before, but as far as the pre-test warm up, that's something new to me. Does that come packaged with the driving lessons or is that a separate charge?

Hi Emily,

We have a client who working towards obtaining her driver's licenses as part of her service agreement to help in achieving her goals. Since this has not come up before, we wondered if driving lessons and a pre-test warm up might be approved through "Other" to ensure the client is ready for the test. If this is possible, we will send an Other Request for your review.

Thanks,
Kristen
